

Hotel Management Student code59, Mr.Alinnavatthanavipa Pethcharadeethon, supervised by Miss Nanatana Ladplee. He was sharing his internship experience at Hotel Nikko Bangkok with other Hotel Management Students Code 60, 61 and 62.

Mr.Alinnavatthanavipa or Punpun, Hotel Management code59 was given us the valuable experience at the time he was having internship. Due to a lot of Japanese customers and foreigner guests, he had experience cross culture and learned from it. We hope that his talk will be useful for other students and inspire them to become a well-rounded person as Punpun.
